

# "VASCO" TRANSLATOR - SUPPORT FOR INTERNATIONAL COMMUNICATION

VASCO Translator is an innovative tool that allows you to easily communicate with foreign employees. We are currently testing this solution at our clients' facilities, including: in Sosnowiec, and ultimately we want to introduce them into everyday use to enable smooth and effective communication with employees from various parts of the world, such as Central and Eastern Asia or South and Latin American countries.

## WHY IT'S WORTH IT?

**Elimination of language barriers:** VASCO allows real-time communication between people speaking different languages. This greatly facilitates collaboration, enabling the smooth exchange of information and messages.

**Increasing diversity:** Using a translator makes it possible to hire employees from different cultures and countries, which creates opportunities for greater diversity within the team. It contributes significantly to employment growth, innovation, knowledge exchange and creativity.
